

Fig. 1 is a perspective view of the apparatus of the present invention, showing the front and side elevations of the main body 10, the top cover 44, and the bottom cover 60. The main body 10 is shown with its front door 12 open, revealing the interior compartments 14 and 16. The top cover 44 is shown above the main body 10, and the bottom cover 60 is shown below the main body 10. The side elevations of the main body 10 are shown on the left and right sides of the drawing.
